- Stated there were two applicants for the Construction Projects for a sum of \$195,115.00.

- Stated they had been working on the ADA improvements for the restrooms over the last several years.

- Stated Lillian Park was the major center for Little League and it was not ADA compliant.

COUNCILMEMBER HARPOLE

- No questions.

COUNCILMEMBER NOBLE

- No questions.

MAYOR HACKBARTH-MCINTYRE

- Asked if we took part of the prior CDBG for Lillian Park to finish construction on Dana Park and

Sturnacle Park.

COUNCILMEMBER HARPOLE

- Asked if the \$188,000 from Engineering was an estimate.
- Mentioned that from experience, estimates usually come in lower than the actual quote.

CITY MANAGER, CURT MITCHELL

- Replied that we used whatever was available, and if there was a difference, we would look for other grants or come back next year.
- Stated we applied for \$188,927.00, which was estimated to be the funding received for this, and that was why there was a difference.
- Replied that this was only an estimate as we did not have any quotes, and that once we knew exactly what we wanted, we would get quotes.
- Anticipated this to be lower than prior jobs because with Lillian, the City has already improved the travel path so that it meets ADA requirements.
- Noted that with Sturnacle, Fogelsong, and Dana Parks, the City had to do travel paths as well.

COUNCILMEMBER HARPOLE

- Asked, if \$191,000.00 was available, why we only applied for \$188,927.00.
- Said he was just trying to understand if it would be needed for expected overruns.

CITY MANAGER, CURT MITCHEL

- Replied that the difference would go into a contingency for the first year and then could be rolled over into unprogrammed funds, which could be applied to it.

DESERT MANNA (Application No. BARS19CN-011 - Food Bank Rehabilitation)

PRESIDENT, DARRIN FIKSTAD

- Stated they were seeking funding for asphalt for the food bank parking lot to make it more accessible for those in wheel chairs and using walkers.

PRESIDENT, DARRIN FIKSTAD

- Referred the City Council to Page No. 3, Exhibit No. 2, which showed the breakdown as \$16,500.00 for the asphalt, \$22,000.00 for the roof, \$5,500.00 for the septic, and \$13,000.00 - \$15,000.00 for the restrooms.
